- Web design & development
- Visual branding
- Fine art & commissions
- Client communication
- Project management
- Independent business operations

EDUCATION

Minneapolis College of Art & Design

Minneapolis, Minnesota
Graduated 2005

EXPERIENCE

iOS App Developer

2026 - Present | Independent

Built and launched Avenlas, Tap Okay, Upload Ready, and Value Study Assistant. Develop and prototype mobile products in Swift and Xcode, with particular attention to simple, approachable interfaces.

Freelance Fine Artist / Painter

2018 - Present

Create original oil paintings and commissioned work; manage the creative process, portfolio, client relationships, and sales.

Freelance Web Developer

2018 - Present

Design and build websites centered on usability, visual identity, and clear presentation for clients and small organizations.

Administrative Assistant

2015 - 2017 | Xavier College Preparatory High School, Phoenix, AZ

Supported office operations, scheduling, communication, and administrative workflows in a busy school environment.

Fine Artist

2005 - 2015 | Duluth, MN

Produced and sold original artwork while developing a professional studio practice and foundation in painting.
